

BCB Bank Announces Promotions

BCB Bank is pleased to announce the promotion of **Sharon MacDonald** to the position of **Senior Vice President & Director of Retail Banking!** Sharon will be responsible for overseeing the Bank's retail branch network, Deposit Operations, and the Call Center. Sharon has been with the Bank since 2018. Prior to that, she served as Vice President of Retail Operations at Clifton Savings Bank and worked for over 20 years at Provident Bank, leaving there in 2012 as Vice President of Remote Banking. Sharon's hard work, dedication, and industry knowledge will help the Bank as it continues to execute its Strategic Plan.

The Bank is also pleased to announce the promotion of **Adam Yi** to **Senior Vice President & Chief Information Security Officer!** Adam will be responsible for overseeing the Bank's network and cybersecurity controls. The Bank is continuously enhancing its cybersecurity practices. The creation of this new position highlights their serious commitment to protecting systems and clients. Adam has been on our team since 2010 and is a true BCB success story – starting out in their branch system and working his way up through the IT Department. Adam also holds a number of industry certifications, including the designation of Certified Information Security Manager ("CISM").
